JANITORS' STRIKE AVERTED?

All but two big real estate agents have signed agreements with janitors' union. Number of apartments in which there is still likelihood of strike reduced to 380. Union expects to sign up most of these late today.

Henry Neil of Oak Park challenged the legislative policies of the United Charities and served notice that he will this winter go to Springfield to work for changes in the mothers' pension law.

"As that law stands today," said Neil, "it forbids the child of a divorced or deserted woman from being paid benefits.

"This peculiar clause in the law
